St. Clair Hospital Purchases Site For Future Expansion

MT. LEBANON, Pa. (May 21, 2015) – St. Clair Hospital today announced it has purchased four parcels of land adjacent to the Hospital’s campus. The purchase price was \$4.45 million for the 3.7 acre property, which is bordered by Bower Hill Road and North Wren Drive. The property had been a neighborhood shopping center until it was acquired by a corporate affiliate of Walgreens in 2004.

“We’re pleased to acquire the property,” said Barry S. Zaiser, Senior Vice President & Chief Strategy Officer at St. Clair. “St. Clair continues to grow, at both of its outpatient centers at Village Square and in Peters Township, as well as at its main campus in Mt. Lebanon. This property will help us to expand to meet the needs of the communities we serve.”

St. Clair will review its master facility plan before announcing potential uses of the property.

About St. Clair Hospital

St. Clair Hospital is an independent, nationally recognized acute care medical center with 2,300 employees and 550 physicians serving residents of western Pennsylvania. With 328 beds and five satellite locations, St. Clair offers advanced high-quality care in multiple specialties, including heart, oncology, orthopedics, mental health, women and children services, stroke care and more.
